Aloha,

On behalf of the Hawaii Korean Chamber of Commerce, welcome to the 15th annual Korean Festival. This year's theme, "A Taste of Korea – Island Style" hopes to showcase the Korean culture as we know it here in the islands.

The first Korean immigrants arrived in the islands in 1903. Through the years, the Korean community has grown and the Korean Festival strives to celebrate the Korean culture and share the heritage with the people of Hawaii.

We are thrilled to have the Pyeongtaek dance group and popular k-pop duo "Pretty Brown" from Korea entertain us. Experience Korean cuisine with the local food vendors and visit the pojanmatcha tent, featuring award winning world recognized Chef Grant Sato. Sample Korean soju and beer at our soju garden, enjoy performances by local Korean dance groups and watch the Kimchi and Jajangmyun Eating Contest.

We thank our generous sponsors and dedicated volunteers for their commitment and continued support in making this festival a success!

Mahalo,
